Comments (include names of auditioning committee members): _____

Recommendation: _____

Signed: _____

UNIVERSITY OF ARKANSAS
DEPARTMENT OF MUSIC

Scholarship Information

In addition to campus-wide scholarship and financial aid programs such as the Freshman Academic Scholarship, Chancellor's Scholarship, and Pell Grants, the Music Department offers scholarships to deserving students who major in music and/or participate in ensembles. Music Department Scholarships are based on musical ability and are generally renewable for up to five years. Accepting a Music Scholarship does not preclude a student from also accepting other forms of financial aid from the University.

Note: Band Scholarships, administered by the Director of Athletic Bands, have eligibility criteria similar to those for Music Scholarships, but are reserved for music majors and non-majors who participate in the Marching Band.

Eligibility: High School seniors, transfer students, and current University of Arkansas students are eligible to apply for Music (and Band) Scholarships.

Awards: Awards vary in amount, with a maximum to cover 15 hours of tuition per semester. The value of scholarships is dependent on proficiency, teacher recommendations, music-major status, and past record of accomplishments.

Auditions: All applicants must perform an audition which will be heard by a committee of faculty appropriate to the applicant's area. If an applicant lives a great distance away, a recorded audition may be submitted with permission.
