## ABOUT MUSIC

The University of Arkansas is accredited by the National Association of Schools of Music and the Department of Music is housed within the Fulbright College of Arts & Sciences.

Home to over 300 music students and fifty faculty members, we offer a variety of degree programs at the undergraduate and graduate levels.

Department faculty and students perform over 400 concerts per year, on and off campus. Large concerts are performed at the 600-seat Faulkner Performing Arts Center that opened in 2015. Chamber and solo recitals are primarily presented at the 200-seat Stella Boyle Smith Concert Hall, which is slated for a full renovation starting December 2022.
